

The Villages Charter School Online Volunteer Application can be completed online using this link: [VCS Volunteer Application](#)

Once you have completed the volunteer application you're ready for fingerprinting.

Use this link [www.fieldprintflorida.com](http://www.fieldprintflorida.com) to register to be fingerprinted. To ensure that your fingerprints are sent to the Villages Charter School office specifically, enter the code **FPVillagesCharterVol**. The charge for fingerprinting is \$41.25 which you will need to pay upfront when you register. If you email me a copy of the receipt for the fingerprinting charge, then I will get your reimbursement processed right away.

Please let me know the date that you are scheduled for fingerprinting by emailing [TSIC@lake.k12.fl.us](mailto:TSIC@lake.k12.fl.us).
